Numismatic Society.
Broadway at 155th Stet.
N.Y. City

Dear Sir.

Would you be kind enough to mail me at soon as possible the catalogue of the works by Paul Troubetskoy - published by your Society at the time of the Exhibition (I believe 1909 or 1911). It is a book illustrated with a text by Christian Brinton. I had one copy that I have time ago in N.Y but unfortunately went lost.

With best thanks and obliged.

Pietro Vigna
